

Electronic Media Regulation

In implementation of the provisions of this resolution, the following words and phrases wherever mentioned in this resolution shall have the meanings ascribed thereto hereunder unless the context indicates otherwise:

The Electronic Media	The electronic activity that is carried out through the electronic modes and tools of publishing or transmission.
Social Media	They are the number of technologies made available on the World Wide Web (the internet) that are used by people for communication and interaction purposes.
The Electronic Domain	The domain registered on the World Wide Web (the internet) or any other telecommunication network through which the websites can be accessed or found.
The Responsible Manager	The natural or corporate person who is confirmed to own the website or the electronic media.
The Electronic Advertisement	The mode used to present and promote the ideas, commodities and services through the electronic means or telecommunication applications and the paid or unpaid fees.
The Website	Any website that is made available on the World Wide Web (the internet) that has a brand name through which the media or advertising related information and other specialized websites are circulated, including the websites that carry out media or advertising activities for commercial purposes.
The News Site	The website that has a specific brand name and address, including the location where the activity is carried out, and it provides online news, including the social media (the sites that publish or transmit news, reports, investigations, articles, etc.) that are released on regular or irregular scheduled times and dates.

Scope of Applicability or Validity

- This resolution shall apply to all electronic media activities that are carried out inside the country, including the free zones.
- Any electronic media activity that is determined by the council shall be prohibited before the decision on the approval for granting the license is issued as per the laws and regulations as well as this resolution.

Objectives of Regulating The Electronic Media Activities

The media regulation that is organized in accordance with the provisions of this resolution is aimed at the following:

- 1-Support the electronic and digital media industry and regulate the activities of the same as an effective industry that could contribute to supporting the publishing industry.
- 2-Keep abreast of the rapid developments in the electronic media spheres to enrich the digital content.
- 3-Reinforce the respect of the religious, cultural and social values prevailing in the country and respect the freedom of opinion and expression and constructive interaction in the field of the electronic media.
- 4-Provide a balanced, responsible and impartial media content that could respect the individual privacy and protect the various community members against any possible negative effects.

Electronic Media Activities that should be Licensed

- For the purposes of this resolution, the activities below shall be considered as electronic media requiring a prior license in accordance with the provisions of the same even if they are carried out in regards to social media:
 - 1- The sites used to trade, present and sell print, video, and audio materials.
 - 2- The electronic publishing activities and on call printing.
 - 3- The specialized websites such as the electronic advertisements, news sites, etc.).

- 1-There should be a recognized social media account.
- 2-The advertisements circulated on the social media shall meet the applicable advertising standards or criteria adopted by the council.
- 3-The social media account holders providing paid commercials shall obtain a license from the National Media Council in accordance with the applicable regulations and those prescribed in this regulation.
- 4-The account holder shall be responsible for the content of such account.

License Validity Duration & Renewal

- 1-The license shall be valid for one year which can be renewable for a similar period.
- 2-The license holder or any of his legal representative shall have the right to apply for the media license renewal to the council within 30 days from the expiration date of such license or 30 days after such expiration date.
- 3-The license shall be void and null after the elapse of thirty (30) days from the expiration of its validity unless it is renewed in accordance with the provisions of this resolution.
- 4-Notwithstanding the contents of paragraph (1) of this article, the licensee may apply for the license renewal for a maximum period of three years provided that the due fees per year must be paid.

Instructions and Regulations of Carrying out Electronic Media Activities

When carrying out the license granted to him, the license owner shall fulfill the rules and regulations below:

- 1-Abide by the issued license and refrain from making any modifications to the same without referring back to the council.
- 2-Complete and deposit the required financial guarantees as per the applicable procedures adopted by the council.

- 3-The licensee's heirs shall inform the council of the deceased whose license is issued within two months from the date of death; otherwise, such license shall be considered as void and null from that date.
- 4-Each license applicant shall have full legal liability for the correctness of the entire information included in the license application. In the case it turned out that any such information has been found to be incorrect, the council may cancel such license, and no already paid fees can be redeemed in this case.
- 5-All licensees shall implement any resolutions pertaining to their licensed activity carried out they are notified of by the council within the scheduled dates set by the council.
- 6-Abide by the standards set for the media and advertising content stipulated in the applicable rules and regulations.
- 7-Respect the government directives to reinforce its own national identity and engage the UAE citizens in the media activity market
- 8-Respect the media activity ethics, including privacy and the right of the audience to access the information and interact with the media space
- 9-Implement the highest professional and ethical standards related to media to maintain the media output quality.
- 10-Resort to the legal channels made available in the UAE to reach solutions for any issues or problems.
- 11-Renew the license during the scheduled dates; otherwise, they shall be considered to be cancelled.
- 12-Comply with the instructions issued by the council and competent agencies in emergency or crisis.

Determination of Applications

The council shall determine the new/renew application for license within the maximum period of thirty days from the date of submitting a complete application that meets all terms and conditions set out in this resolution; however, the council may postpone the determination of the application in any case below:

- 1-If the related legislations and decisions require the approval of other entities or agencies until they decide on such application.
- 2-If there is any need for a longer period to review the application.
- 3-Any other case identified or approved by the council.

Other approvals

Subject to the powers of the council mentioned in the rules, regulations and this resolution, the licensee shall obtain the approval of any other entity as may be required by such rules and regulations.

The licensee shall be prohibited to carry out the required media activity directly or indirectly without obtaining the license from the council as mentioned or specified in this resolution.

License Application Rejection

The council may refuse the new/renew license application in any case below:

- 1-Fail to fulfill the requirements and terms as per the provisions of this resolution
- 2-In case that the required guarantees are not provided as per the applicable legislations
- 3-Lack of approval from any other entities where legislations require their approval for license
- 4-Violate the instructions and regulations of media activities mentioned in article (17) and any other instructions and regulations issued by the council.

Approving the License Application

The council shall issue a decision of approving the license application, whether it is new or renew, in case requirements this resolution are met as per the forms prepared for this purpose provided that the license issued by the council should include the following:

- 1-The license applicant name
- 2-Type of the media activity that can be licensed
- 3-The effective date of license whether it is new or renew as well as expiration date of the same
- 4-The licensee's address for notification and communication purposes in connection to the license
- 5-Any other requirement or prohibition pertaining to the media activity

Use of License

In the cases determined by the council, the council may ask the licensee to sign certain contracts or appendices that include instructions and regulations for carrying out the media activity in addition to the licensee's rights and responsibilities.

The Licensee's Obligations

The licensee and everyone representing him or working for his own interest shall abide by the provisions of this resolution and any applicable legislation adopted by the local government, including the following:

- 1-Abide by the type of the media activity and all requirements according to which such license has been granted.
- 2-Obtain the prior consent of the council on any license related modification.
- 3-Provide any information or data as may be requested by the council.
- 4-Refrain from the main principles and media content standards stated in the related legislations and resolutions
- 5-Abide by the media activity practice related instructions and regulations set by the council.
- 6-Respect the society values and observe the public interest requirements.
- 7-Pay the financial dues and/or fees and provide the guarantees as decided by the related legislations.
- 8-Submit the license renewal application during the duration set for such purpose.
- 9-Maintain a record that includes all materials presented by the licensee or registration applicant on the site within twelve consecutive months, including the date and time on which such materials were displayed and allow the council to review such recordings at any time.
- 10-Show the name of the website and name of the responsible manager on the site or account

The License Cancellation

If interested to cancel the license, the licensee and everyone representing him or working for his own interest shall do the following:

- 1-Submit media license cancelation application
- 2-Pay the due fees

Licensing Agencies

Without prejudice to the powers of the council stated in the laws and regulations, the council shall be responsible for coordination with the Authority in connection to the relevant technical issues.

Licensing Fees

The Minister's Council shall be responsible for issuing licensing fees incurred by media activities services provided by the council and making any modifications to the same in terms of any addition, deletion or amendment.
